From the latest insights and highlights to exciting developments, we've got everything you need to stay informed and engaged. Join us as we explore the noteworthy events and updates that shaped our week!

SPECIAL MENTIONS

This week saw yet another inductee into our 'Wall of Grannies' - Eddie! After a tough fought battle against Steve, he unfortunately found himself 'between a rock and a hard place', as the expression goes!, having to don the famous Granny Cap for the rest of the day - All in good faith, as always, with plenty of laughs coming from around the centre, including Eddie and Steve themselves! 🙄 🕒

We received a food delivery from FareShare this week, continuing our relationship them and supporting the work they do for the local community to battle hunger and tackle food waste 🌱 🌱

Exciting news this week as our very own Govan Bridge has been all the hustle and bustle - setting up for a small film set - with a sprawling market and stalls popping up outside the Riverside Museum - Great to see our local area featured in the limelight 📺

WELLBEING WALK 🌿

The group managed to capitalise on the fantastic sunshine this week, taking themselves out to Lennoxtown to follow the Lennox Castle and Lover's Leap trail! Another excellent walk in the books, and one to remember as they caught a glimpses of the old Psychiatric Ward and stunning views of the Campsies.

OPERATION RENOVATION 📅 UPDATE 📅

After a trip to B&Q to pick up all the essentials - the centre began carefully preparing their plan of action for Operation Renovation - Officially kicking off next week! Another huge step in helping to create a brighter, and even more welcoming environment!
